

# Health Care Management Minor

## Degree Type Minor

The minor in health care management is designed to focus on the managerial elements of this health care industry for students pursuing either health-care related or business careers. Students will take the introductory courses in both health care and management followed by a 300-level course merging these concepts. Electives will cover a variety of related subject areas.

## Requirements:

*HEA 100 can be replaced by NUR 101 and 203*
