

ART 446 : Sculpture V

This advanced course challenges students to research and employ multiple techniques and processes, while building upon the knowledge gained in [ART 445](#). Students explore three dimensional solutions to art making and create individually expressive contemporary works of art. Students will research contemporary concepts of multi-media and installation-based sculpture. Advanced research, problem-solving and self-criticism are major parts of this course. Outside of class work will be demanding and all studio safety best practices will be modeled.
