

Environmental Studies Minor

Degree Type

Minor

The environmental studies minor allows students to study the core concepts of environmental studies with an opportunity to explore an area of interest related to the environmental field. Its purpose is to broaden career opportunities by gaining an environmental perspective on their chosen major.

Students must have a minimum cumulative GPA of C (2.00) in all required courses to qualify for a minor in environmental studies.

Requirements:

The minor consists of 20 credit hours:

Item #	Title	Credits
ENV 120	Introduction to Environmental Science (+lab)	4.0
	Eight credits from ENV electives	8
