

ART 285 : Art Internship

This introductory elective art internship is designed to provide BA and BFA studio art majors with exploratory, on-site art and design related work experiences and opportunities in related businesses or nonprofit organizations. A studio art or graphic design faculty member serves as the student's internship sponsor. An internship contract must be submitted to the Harrington Center, and study plans must be submitted to an art faculty advisor of choice for approval prior to the beginning of the internship. Graded Pass/Fail.
