

Business Administration Minor

Degree Type Minor

The minor in business administration is designed to be completed within a major in another academic discipline and provides basic functional skills for employment in a wide variety of areas. Its purpose is to broaden the career opportunities of liberal arts graduates by combining a working knowledge of essential business principles with the student's chosen major. Students in majors other than business administration may find the business administration minor a gateway to entering the 5th-year accelerated MBA. Please refer to the Graduate Program section of this catalog for more information or speak with your academic advisor.
