

Health Care Management Minor

Degree Type Minor

The minor in health care management is designed to focus on the managerial elements of this health care industry for students pursuing either health-care related or business careers. Students will take the introductory courses in both health care and management followed by a 300-level course merging these concepts. Electives will cover a variety of related subject areas.

Requirements:

HEA 100 can be replaced by NUR 101 and 203
